

## **Junior League of Boston Celebrates #GivingTuesday**

*The Junior League of Boston participates in #GivingTuesday, a global day of giving that harnesses collective power to encourage philanthropy, to support their community programming.*

With over 800 members devoting more than 20,000 volunteer hours a year to community initiatives, the Junior League of Boston (JL Boston) is looking forward to expanding its impact this #GivingTuesday. Donations made to JL Boston's Annual Fund are vital to ensuring that women and girls are provided with the resources, skills, and confidence to reach their full potential.

"JL Boston is dedicated to strengthening our ability to improve the health and wellness of women and girls through education and programming that creates positive change in the Boston community," said Michelle Lentz, 2018-2020 JL Boston President.

#GivingTuesday is a global day of giving that harnesses the collective power of individuals, communities and organizations to encourage philanthropy and to celebrate generosity worldwide. Following Thanksgiving and the widely recognized shopping events, Black Friday and Cyber Monday, this year's #GivingTuesday will kick-off the charitable season on November 27th.

"Whether you choose to make a donation or join our membership, your support will ensure that we continue to deepen our community impact and develop the potential of female civic leaders into the future," said Celeste Scott-Walker, 2018-2019 JL Boston Vice President of Fund Development.
