

JUNIOR LEAGUE OF
BOSTON

Women 4 Women was founded by the Junior League of Boston to serve the needs of our community partners during COVID-19. This initiative connects our members and the Greater Boston community to fulfill needs for personal care items.

Through a donation drive, with drop-off locations across the Greater Boston community, we are finding ways to give back to community partners without being physically present to volunteer during COVID-19.

Our community partners include [Boys & Girls Club](#) (Blue Hills, & Charlestown), [Boston Renaissance Charter School](#), and [Jeremiah Program](#).
